# LUCKY DUCK AWARD

One of the signature events at the **Ouachita RiverFest** is the **Rubber Duck Drop Race** — a fun, high-energy fundraiser where **5,000 numbered rubber ducks** are released into the **Ouachita River** and race downstream toward the finish line. Each duck is “**adopted**” for a donation and tagged with a number that corresponds to the supporter. **The first ducks** to cross the finish line win prizes for their adopters!

Pageant contestants are encouraged to help sell ducks for the race as part of our fundraising efforts. The contestant who sells the **most ducks** will receive the special **Lucky Duck Award** and be recognized for their outstanding support of RiverFest. Ducks may be sold up until intermission on pageant night, and each duck is \$5.

All payments can be via check to the **Ouachita RiverFest**, or you can pay directly through the **City of West Monroe** website.
